ANNEXURE – I

MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRIAL SCENE

The Company is engaged in manufacture and supply of Rockwool Insulation products, which are very useful in industries and especially in building and construction industry. The growth of the insulation industry is mainly dependent on the development of Infrastructure and Power Sectors. Government has been focusing on these areas as major thrust areas for development and growth of the country, hence, these sectors have shown a continuous growing trend. Various new power projects have been sanctioned recently by the government and this has paved way for potential source of consumption of rockwool and insulation products, thereby, making rockwool and insulation industry a real growth sector. With the growth of Infrastructure Sector, there has also been a growth in its allied sectors e.g. construction and construction materials. These factors taken together have increased the demand of insulation and rockwool products in such a way that for many years to come, the demand for rockwool and insulation products will continue to show a rising trend.

STRENGTHS

The company is endowed with human resources of sound technical knowledge, expertise and experience. The competitive strength of the company has increased and has become good enough to stay in the market for years to come. This has really helped the Company to have its presence felt in the insulation products market.

THREATS

As described above there is expectation of huge demand in insulation industry in the years to come and Indian industry may not be able to cope up with the increasing pressure of demand and supply as per the inflated demand. Thus, there is a great possibility of foreign players coming into the market and increasing competition, thereby reducing margins. With the entry of foreign players, Indian Companies may be adversely affected. Further, the industry has to keep pace with the latest technology with continuous research & development. However, your directors feel that with its competent man power and sound technical prowess, the company will be able to stay ahead of competition.

COMPANY'S OUTLOOK

It is the endeavour of the Company to improve its performance by adopting latest techniques of production, improve product acceptability and cutting / reducing costs wherever possible.

RISK MANAGEMENT

The Risk Management policies of the Company have been implemented to ensure that all the moveable and immoveable assets of the Company are adequately covered and the same are renewed by the Board from time to time. Besides the Company is prone to usual business risks like change in demand, change in Government policy (ies), International agreements on trade and tariffs etc.

INTERNAL CONTROL SYSTEM

The Company has developed an internal control system and procedures to ensure efficient conduct of business and security of its assets. Management Information system is being developed through which production performance and financial dealings are monitored by management on regular basis.

HUMAN RESOURCES

The Company believes that the workers are the backbone of the Company. It has provided & will provide opportunities to all the employees to utilize their full potential and grow in the organization. There was no strike or labour unrest during the last financial year. As on 31.03.2010 the total numbers of employees were 32.

LLOYD ROCKFIBRES LIMITED
